Subject: Informational Filing of Rider Coal to Solar – Coal to Solar Adjustment

Dear Ms. Cook:

Commonwealth Edison Company (ComEd) submits the following informational sheet for filing with the Illinois Commerce Commission (ICC) on March 17, 2025, for informational purposes:

COMMONWEALTH EDISON COMPANY
ELECTRICITY
ILL. C. C. No. 10

Coal to Solar Adjustment
4th Revised Informational Sheet No. 63 canceling 3rd Revised Informational Sheet No. 63

The revised informational sheet is to become effective on March 18, 2025. The calculated value of the Coal to Solar Adjustment (CTSA), beginning with the April 2025 monthly billing period, is (0.0009) cents per kWh (¢/kWh). However, upon review of ComEd's applicable costs, recovery of those costs, and the uncertainty related to future additional Renewable Energy Credit (REC) costs, ComEd will keep the value of the CTSA at 0.0000 ¢/kWh.

At this point in time, the amount that ComEd is required to collect for the procurement of RECs does not exceed the $868,250 credit balance on the rider due to forfeited collateral from counterparties that canceled REC contracts in 2023. Also, ComEd is required to collect $0 to fund the Coal to Solar Energy Storage Grant Initiative Fund in 2025. Furthermore, the balancing amounts applicable to the CTSA remain at 0.0000 ¢/kWh and any credits associated with the forfeited collateral recorded in 2024 will be used to offset future costs to ComEd retail customers.

Electronic copies of this transmittal letter, informational sheet and work papers are being provided to Dr. James Zolnierek (Bureau Chief – Public Utilities); Mr. Richard Bridal II (Director: Financial Analysis Division); Ms. Rochelle Phipps (Assistant Director: Finance Department – Financial Analysis Division); Mr. Michael Alan (Accountant: Accounting Department – Financial Analysis Division); Ms. Dianna Trost (Accountant: Accounting Department – Financial Analysis Division); Mr. Scott Tolsdorf (Accountant: Accounting Department – Financial Analysis Division); and Mr. Sam McClerren (Tariff Analyst: Rates Department – Financial Analysis Division).
