Subject: Rider LID – Low-Income Discount

Dear Ms. Cook:

Commonwealth Edison Company (ComEd) submits the following two updates related to informational sheets associated with Rider LID – Low-Income Discount (Rider LID) for filing with the Illinois Commerce Commission (ICC) on March 17, 2026:

COMMONWEALTH EDISON COMPANY
ELECTRICITY
ILL. C. C. No. 10

Low-Income Discount Informational Sheet
3rd Revised Informational Sheet No. 73 canceling 2nd Revised Informational Sheet No. 73

Low-Income Discount Recovery Informational Sheet
3rd Revised Informational Sheet No. 74 canceling 2nd Revised Informational Sheet No. 74

The first update relates to revisions to the Low-Income Discount Recovery (LIDR) charges to align projected recovery with expected program discounts. These revisions reflect increased enrollment of eligible low-income customers, including continued enrollment growth associated with recent marketing efforts and press coverage of the LID program.

The second update is housekeeping in nature. Following discussions with ICC Staff, ComEd identified that the effective dates for the LID percentages should be stated as effective through March 2027 rather than December 2026. The next update to the LID percentages is expected to be filed in January 2027 and effective on February 2027 bills following the annual update to the Federal Poverty Level (FPL). Extending the expiration date through March 2027 provides additional flexibility in the event of a delay in publication of the updated FPL. This housekeeping change is consistent with the provisions of Rider LID and the Commission's Final Order and Amendatory Order in Docket No. 24-0163.

The informational sheets will become effective March 18, 2026, and the LIDRs will become effective beginning with the April 2026 monthly billing period.

Electronic copies of this transmittal letter, informational sheets and workpapers are being provided to Dr. James Zolnierek (Bureau Chief), Mr. Torsten Clausen (Director: Policy Division), Ms. Rochelle Phipps (Assistant Director: Financial Analysis Division), Mr. Richard Bridal II (Director: Financial Analysis Division), Mr. Steve Knepler (Supervisor: Financial Analysis Division), Ms. Jennifer Morris (Assistant Director: Integrated Distribution and Planning Division), Mr. Scott Tolsdorf (Accountant: Financial Analysis Division), Mr. Kenrick Au (Accountant: Financial Analyst Division), Mr. Michael Alan (Accountant: Financial Analysis Division), Mr. Chip Boggs (Rate Analyst: Financial Analysis Division), and Mr. Sam McClerren (Tariff Analyst: Financial Analysis Division), all of the ICC.

Sincerely,

John L. Leick
